**Von A. Meredith Walters : Find You in the Dark** before purchasing it in order to gage whether or not it would be worth my time, and all praised Find You in the Dark:

Kurzbeschreibung Experience New York Times bestselling author A. Meredith Walters's heart-wrenching story about the all-consuming power of first love. Maggie Young had the market on normal. Normal friends, normal parents, normal grades normal life. Until him. Clayton Reed was running from his past and an army of personal demons that threatened to take him down. He never thought he had a chance at happiness. Until her. Maggie thought their love could overcome anything. Clay thought she was all he needed to fix his messy life. That together, they could face the world. But the darkness is always waiting. Sometimes the greatest obstacle to true love is within yourself. Pressestimmen "I can't recommend A. Meredith Walters' books enough... You don't leave her books behind after the story has ended. These are the kinds of books you carry with you." (In The Best Worlds) "There is no question that A. Meredith Walters is one of my favorite authors. She always writes her stories so that we can relate to the characters, they jump out of the books and into our hearts each and every time. Her books have deep meaning to them but are also sweet and sassy with some sexy to steam up the pages." (Book Addict Mumma Book Blog) "BRILLIANT, AMAZING, GUT-WRENCHING!"
