On occasion I get to read some of the books that I select and I would recommend this book to any of the patrons that read Christian Fiction. I judge books by their covers. This time I picked a real gem. I can't wait until the next book. Zachary thinks that his

family has abandoned him. But instead he finds his true earthly family and a heavenly father. Elizabeth thinks that she can get along just fine without a man. That she can run a business and raise an adopted Romanian, boy. I found myself laughing many, many times. Catherine Palmer is a Missourian which really interested me, being from Missouri. I was impressed that the writer called Jefferson City, MO, Jeff City for short many times throughout the novel. 0 von 0 Kunden fanden die folgende Rezension hilfreich. no expectations Von Dena Boeger This is the first book by Catherine Palmer that I've read and it was given to me as a gift. I had no expectations at all. It was very nicely written and I enjoyed the character of Nicolai. He is very heartwarming and the epitome of the scripture "out of the mouth of babes". I enjoyed the "twist" somewhere in the middle of the story. It made the story-line move faster. It started to drag on in the romance part of it. Overall, I was pleased with this book and I would highly consider reading other books by this author. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I LOVED IT! Von Ein Kunde I thought this book was absolutely wonderful. I love to read Inspirational Romances and this was one of my favorites. I like the fact that it is written in the present and not the 1800's as a lot of the others. If you like this, you will also love The Princess by Lori Wick.
