Is Dillon The Stalker?Von Ingrid Stephanie JordanTitle: Finding LostAuthor: Deena RemielReviewer: Stephanie JordanMs. Remiel is quite the accomplish writer.I was scared, mad and I want to get in the book and help. Talk about a #Thriller yep this story had me on my toes.Laura Singleton was being stalked, sent presents, leaving notes ,dead animals dressed up. Her stalker was so clever the police can't find him, no finger prints, not one piece of evidence to find out who this

man was. Messages on her bathroom mirror was the last drawn. Laura Singleton died that evening and Carrie Samuels was born and now Carrie was going off grid. Change of hair color and appearance no could recognize her. Dillon McMahon is a detective who worked undercover but he was burnt out added to that Dillon had secrets. So he went off the grid too and moved in next to Carrie. Worried he could be the Stalker she kept her distance but one day everything changed and Carrie and Dillon were inseparable. Neither Carrie or Dillon realized you can't run away from your problems, they always catch up to you and they did catch up to both of them. I was gifted this ARC for an honest and truthful review. Kurzbeschreibung How could anyone be miserable in paradise? Carrie Samuels could write a book about it! Far away from her family and friends, she fled to Isla Mujeres hoping to escape a relentless stalker who knew how to torment and leave no calling card. What started out as a short-term solution has turned into a long-term jail sentence on a tropical island. Painfully handsome, with a killer smile and well-hewn body, Dillon McMahon left his past behind and plans to spend the rest of his life off the grid on Isla Mujeres, the perfect place to dig in. Living next door to a sexy, quirky, and mysterious woman makes it all the sweeter. When Carrie and Dillon's pasts collide with the present, it threatens their budding relationship and sends them into a maelstrom of danger, abduction, and attempted murder. Sometimes, no matter how far you run, you just can't hide.
