**Von Zoey Derrick : Finding Love's Wings: Love's Wings #1 (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding Love's Wings: Love's Wings #1 (English Edition):

Kurzbeschreibung "Journey to an island paradise and fall in love. This story will make you yearn for the power of love, the sting of passion, and the addiction of desire!" - Faerie Tale Books 5 of 5 Stars CAMERON ENDERS seems to have it all: a brand new condo in a city she loves, a top executive position at an international entertainment firm, an insane amount of money, and a gorgeous boyfriend. But when Cami catches the boyfriend in the act with another woman, it triggers all the anguish from years of neglect by her parents, and she realizes she never learned how to love or be loved. Cami flees to the remote tropical island of Tarah, but she can't avoid facing her problems any longer when she meets the man of her fantasies... TRISTAN MICHAELS, one of Hollywood's hottest new stars, has come to Tarah to ride out a storm. His girlfriend of five years has been caught on camera cheating, and she's determined to make Tristan stop the story from breaking. But Tristan's done cleaning up her messes. He needs to escape all things Hollywood for a while--and especially the firm that represents him--until the whole thing blows over. What he doesn't count on is meeting an irresistibly beautiful woman, a woman who just so happens to be the CEO of the firm he's trying to avoid. Can Tristan and Cami help each other learn to trust and love again, or will their histories of betrayal tear them apart? This story contains Tattoos, Piercings, a Hot Movie Star and a Sexy Heroine. No rich guy poor girl story here, just a story of what it's like to learn to love. \*\*\*\*\*Content Warning\*\*\*\*\* This book contains adult situations and strong sexual content and is not recommended for anyone under the age of 18. ber den Autor und weitere Mitwirkende  
It is from Glendale, Arizona that Zoey Derrick, a mortgage underwriter by day and romance and erotica novelist by night, writes stories as hot as the desert sun itself. It is this passion that drips off of her work, bringing excitement to anyone who enjoys a good and sensual love story. Not only does she aim to take her readers on an erotic dance that lasts the night, it allows her to empty her mind of stories we all wish were true. Her stories are hopeful yet true to life, skillfully avoiding melodrama and the unrealistic, bringing her gripping Erotica only closer to the heart of those that dare dipping into it. The intimacy of her fantasies that she shares with her readers is thrilling and encouraging, climactic yet full of suspense. She is a loving mistress, up for anything, of which any reader is doomed to return to again and again.
