Von M.K. Allen : Finding Lumen (Amethyst Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding Lumen (Amethyst Trilogy Book 1) (English Edition):

characters Von Oranos It is very easy to love the characters of this book. Lumen is a seventeen year old boy who is also a Master of Gifts. Gift is about love and all that is good, but those with the Gift have to be careful not to misuse it because the Gift can also be used otherwise. When in the beginning of the book Amethyst finds Lumen, he is struggling with the concept of using his Gift for good and not for his own amusement. I like how the characters are real with the same weaknesses and struggles we face every day when we choose good or evil. With the way Finding Lumen ended, I can't wait to read the next book in this series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. like it Von Ehsan A very good book, no matter how old you are. nice to relax and forget a long day after job.
