Von L.A. Witt : Finding Master Right (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding Master Right (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. EntertainingVon SunneI liked it. I liked both MCs and the slightly different angle of the story. It is a good and solid book with both MCs not searching for their place in their kinks but actually knowing what they want. The problem is, they don't know that they want it with each other and they seriously don't communicate but assume.This leads to chain

reactions which again lead to wrong assumptions. What a mess - I hate books like that, I mean that was one of the reasons I ditched f/m!L.A. Witt makes it work, at least enough for me to really enjoy the book. Especially because both guys aren't stereotypes. Oh, yes, Derek is a painlut Sub...well, he just loves it and when he feels save, he enjoys it. But only physical pain and so he is too afraid to put the friendship with Chase at risk when he realizes after a night of vanilla sex, that he could fall hard for his friend. And so the tries to avoid the falling hard by looking for others in self protection.Chase enjoys being in control during sex but had been deceived by his former sub. That makes him vulnerable on the emotional side and more insecure than he likes. And Derek's behaviour confuses him even more. Can he trust and can he risk their friendship, especially because Derek didn't seem to be interested in more?Now - they find together, don't be afraid, and they are a good and solid couple. The journey is - despite the non-communication - good and well written.

KurzbeschreibungIt's all fun and games until somebody falls in love.Chase has just arrived at a much anticipated leather convention, and hes about to lose his mind. Not only is his ex attending, but Chase is also rooming with Derek, a submissive hes been dying to top. Although Derek is in search of a Dom, he made it painfully clear when the two of them hooked up for a very hot but very vanilla night just before the convention that he wasnt interested in submitting to Chase.Derek isnt stupid. No matter how desperate he is to submit to Chase, he wants no part of a rebound relationship. As long as Chase is still pining after the sub who broke his heart a few months ago, Dereks keeping him at arms length. Besides, theres another Dom at this convention, the gorgeous Master Raul, who Derek is determined to attract.But when Chase and Derek are confronted with all their kinks, from ropes to leather, bondage to flogging not to mention each other they can only ignore their mutual attraction for so long.Word count: 45,700; page count: 167PressestimmenSecond Place: Best LGBT Erotic Romance in the 2013 Rainbow AwardsKurzbeschreibungIt's all fun and games until somebody falls in love.Chase has just arrived at a much anticipated leather convention, and hes about to lose his mind.
