Kurzbeschreibung Return to Home Valley with book three in Karen Harpers fan-favorite romantic suspense series Quiet, cautious Ella Lantz has spent her entire life in the Home Valley. Tending her lavender fields, she finds calm and serenity in purple blooms, heavenly scents and a simple life. But the sudden arrival of a strange visitor heralds a host of new complications. Alex Caldwell is unlike any man Ella has ever met in fact, he's a Wall Street whistle-blower under witness protection and he's brought a world of trouble to the Lantz doorstep. As Ella comes to trust even love a man so utterly worldly, she realizes her life has already changed forever. When it becomes violently clear that even the Home Valley is no refuge, Ella and Alex are driven into the wider world to hide. And, with such a high price placed on their silence, they may not survive to share their love.
