Fantastic readVon Philomena(Cheekypee)Received an ARC of this from the author.This was a truly lovely warm story. Travelling through the night on a boat I lost myself in this book while everyone slept.I'm not going to say much about what happens except to say while reading this it's easy to believe that no matter how hard life can get there is light at the end of the tunnel.Even though I finished this 4 days ago this book has stayed with me. The writing of this author is

fantastic. I'm looking forward to reading more from her. I highly recommend this brilliant read.

He can tell she is dealing with something bad, something happened to her. Most people who find the small town are running from something. Her skittish behavior and the fading marks on her face means one thing. Someone abused her.Will she find her way home?*

Due to strong language and sexual content, this book is not intended for readers under the age of 18.
