KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A perfect Christmas storyVon BAThe author wrote a wonderful story, the perfect story for the Christmas holiday. This is a story that will touch your heart and leave you asking for more...

Kurzbeschreibung A heartwarming and inspirational Christmas novel in the tradition of *The Christmas Box*, *Grace*, *The Gift*, and *The Christmas List*. The New York Times bestselling author of *The Christmas Box* and *The Walk* series returns with a holiday novel of hope, love, and redemption. A young woman, who has been adopted as a child by a loving family, has only a Christmas ornament inscribed with the word Noel as a keepsake of her birth family, about whom she remembers nothing. When long hidden memories resurface, she begins an emotionally challenging personal journey as she searches for her biological sister and clues about her mysterious past... From Publishers Weekly On the night that Mark Smart has decided will be his last, his car dies in a blizzard. He enters a closing coffee shop and finds Macy Wood, who literally offers him a shoulder to cry on. The two forge a deep friendship, and after three weeks, Mark proposes marriage. She declines, but waitress Joette, who has taken care of Macy since she was 13, orchestrates a reunion as Mark tries to smooth over the rifts dividing what remains of his family. Mark's stepfather's advice "sometimes it's the fight that makes a thing worth having" serves as the defining aphorism of Evans's yuletide offering. (Oct.) From Booklist Evans' latest offering is a charming holiday story about two strangers who change each other's lives. Mark Smart thinks he has hit rock bottom when his car dies on a snowy evening in Utah. He stumbles into a coffee shop and meets Macy Wood, a young woman he connects with immediately. She gives him a ride home and over the next few weeks, the two swap their life stories. Mark is reeling from his mother's death and his estrangement from his father, while Macy, adopted at age seven, longs to find her younger sister who was taken by another family. Mark encourages Macy to look for her sister, and with his support, she ventures first to the adoption agency and then to the house she and her sister lived in with their troubled father. Mark wants to marry Macy, but his unresolved family issues give her cause for concern, and she pushes him away, forcing Mark to confront his own demons. Evans' many fans will want his latest, and this heartwarming tale is perfect for every reader who loves sweet and uplifting fare. Kristine Huntley Copyright American Library Association.
