neue Serie Von Helltiger im Gegensatz zu den "typischen" Arzt-Krankenschwester-Romanen geht es hier um Beziehungen zu Freunden und Familie. Molly gibt nicht klein bei, auch wenn sie zunächst mit einer blen Art von Mobbing zu kämpfen hat. Sie baut sich einen Freundeskreis auf, der zu ihr steht, der aber selbst auch gegend Probleme mit sich bringt, die sicher für die nächsten Bände noch genug Themen bringen werden. Auf die Fortsetzung freue ich mich!

Kurzbeschreibung Finding Stone Molly Madden has always been looking for something more. Growing up in a small town, she never quite fit in. She didnt fit the preacher's daughter mold. Now at twenty-four, she has graduated from nursing school and has found a job far away from her small town. Chicago. Something was leading her there. Her excitement turns to lust, then to fear, and the shock of her life. This wasnt a part of her plan. She never planned on Noah Stone...he just happened. Noah Stone has returned to Chicago, after his six year serving as an Army Doctor. His only family lives here, his two brothers that he would do anything for. At thirty-five, he doesn't need anyone else. One and done is good enough for him. His past made sure he was incapable of love. By chance and circumstance, a young, smart-mouthed nurse keeps showing up in his life. Slowly, Noah realizes that he's changing. Changing the way he is thinking, the way he is acting. As much as he tries to fight it, he realizes he cant fight the fate that keeps bringing them together. This book is for mature audiences over 18 years of age due to language, abuse and sexual situations. If you are sensitive to this subject matter, you might not wish to read.
