**Von Nora Roberts : Finding the Dream (Dream Trilogy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding the Dream (Dream Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great way to end the "Dream" TrilogyVon Ein KundeNora Roberts really knows how to captivate a reader. Laura finding

her true love could not have ended this particular trilogy any better. I enjoyed the way she had both Laura and Michael struggling to understand their feelings for each other. This book also gives you a chance to keep up with Margo and Kate's life as well. When you are through with "Finding the Dream" you feel as though these three women are now your best friends. Excellent work Ms. Roberts! Thank you!

0 von 0 Kunden fanden die folgende Rezension hilfreich. Best in the Dream Series

Von Ein Kunde I really enjoyed this book. Usually the first in the trilogies is the best but not in this case, at least not for me. There is something about men who don't think they're good enough for their love interest that captures my heart. Michael Fury friend to Josh, Laura's brother is renting a place with stables at the Templetons. Laura who was mistreated by her first husband is in my opinion, the sweetest of the three friends. I love the connection they make. The entire story was interesting and heartwarming as Laura's daughters connect with this father figure. I only wish that not all of Ms. Robert's stories have the couple realizing they are both in love until the last page of the book. I would rather enjoy reading a little of the happiness in the marriage for at least one chapter rather than the last page of the story. Nevertheless, a great read, and in my opinion, the best in the Dream trilogy.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it!!!!

Von Ein Kunde Nora Roberts has outdone herself with the dream trilogy. Finding the Dream was worth the wait. Not having sisters of my own, reading this work made me feel as though I was their sister. The relationships were so honest and genuine I would be hard pressed not to love each character for their own value. Laura was the only one of the "sisters" that you really wanted to protect from all of harshness of life. Her daughters, what can you say. Loved them. Ali especially. The Templetons (mom dad) wish they were mine. And Michael, he is the type of man a women could love, not easily, but with honesty and much understanding. The only reason this book did not receive a "10" from me, is the ending. I would like to have closure for Laura and Michael. They deserve it. Bravo, Ms. Roberts!!!

**Kurzbeschreibung**

In the final novel of Nora Roberts's Dream Trilogy, Laura struggles to mend a broken heart and broken family until someone from her past makes all of her dreams come true.

Laura Templeton found out the hard way that nothing in life is guaranteed. The daughter of a wealthy hotelier, she had always known comfort, privilege, and security. But by the age of thirty, her storybook marriage had been destroyed by her husband's infidelity. Laura's divorce left her both emotionally and financially devastated but determined to rebuild her life without the Templeton fortune. Laura had always defined herself as a wife, a daughter, or a mother. Now, she must finally discover Laura the woman...

Don't miss the other books in the Dream Trilogy: *Daring to Dream*, *Holding the Dream*, *From the Trade Paperback edition*.

de The third book in the Dream trilogy concludes the saga of three best friends raised together in a wealthy California home. Laura Templeton is the daughter of a well-to-do hotelier. At 18 she believes her dreams are simple and easily fulfilled: she wants a good marriage and a healthy family. When Peter proposes, she believes her life will be perfect. But her dreams are short-lived. Peter doesn't prove to be the kind of husband or father material Laura has dreamed of, and when she finds that he is a lying, philandering thief she divorces him. Like her two best friends, Laura discovers that she must look beyond her obvious talents to discover who she is--before she will find success and happiness.
