Hintergrund, den man so nicht erahnen konnte und wurde in einem super Schreibstil umgesetzt.

Kurzbeschreibung I'm loud, I'm proud, and I like to bust balls in my spare time. At least, that's what Low Parker would do. But she is just a mask, one I have perfected over years of running. I am Willow Knoxx. Master of deception, secrets, and lies. I am the girl your mother told you to stay away from, and the girl your father fantasized about. I have been running for years, always looking over my shoulder. Hoping I wasn't going to be found. But hiding comes with a price. Now, the mask I have perfected is about to disappear, and everything I have done to keep myself hidden is about to be revealed. How far are you willing to go to hide from your past in order to protect your future? I'm willing to die to protect the ones I love. I'm willing to go to the ends of the earth to stop my past from finding us. Even if it kills me.
