**Von Claire Kent : Finished (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Finished (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. just greatVon Simone HaeselerAnother great book. Insentive, funny, sexy, a Little bit of danger, i have to admit, I had to

cry also. All in all a really good book.

Kurzbeschreibung For the last year, Julia has lived with two men. Drayton is hot and mysterious, and Mike takes care of her. Together, they have great sex and a mostly stable relationship one Julia thought satisfied her. After all, how can she complain about having two sexy men at the same time? Then everything starts to change. Drayton is keeping a dark secret that threatens more than their arrangement. It might actually threaten their lives. And Mike keeps becoming more alpha than she's ever known him to be. What once was fun and casual is now a tangle of conflicting desires. Drayton wants to keep his freedom. Julia wants a real commitment. And Mike well, Mike just wants her.
