Von Piers Antonio : Finishing Lucinda (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Finishing Lucinda (English Edition):

Left me feeling ambivalent Von Cubbie Yes, this is a naughty / dirty story !As always in such books, all girls are extremely beautiful and all man have huge members. The basic story is very simple, with a surprise twist at the end. All in all, the erotic parts of the book are very detailed, however, in my opinion, each chapter more or less repeats the previous ones. Basically, girl makes love, next she is being punished, then makes love again etc..... Lucinda is being "used" in many ways and additionally sometimes severely spanked - and she enjoys both - not a big surprise to me. 3 stars is the best I

can give.

KurzbeschreibungIf young girls like you were dealt with a little bit more strictly, there might be a few more genuine young ladies around instead of the untamed young sluts one sees in the streets, pouting and posing their improperly clad bodies all over the place. Just turned 18, the Honourable Lady Lucinda Campden-Stacey can't wait to start spending the fortune her parents left her in trust. But there's a hitch. The terms of the will require her to spend a year at an exclusive Swiss finishing school, and she soon discovers that their methods for correction are severe.
