Kurzbeschreibung Fire In The Darkness, Book #2 in the Darkness Series. Its been four weeks since Ember Brycin witnessed what her powers are capable of. Turning Seattle, Washington into a third world country. Those people who were unable to escape either turn quickly into gangs or live in shelters. Ember, on the other hand, cant do either. With a price on her head and a sexy Dark Dweller on her ass, she is constantly on the move. Both the Seelie Queen and the Unseelie King are hunting here each for their own purpose to use her as a weapon or a pawn in the war between Light and Dark. Em needs help, but she doesnt know who to trust: Torin, the Seelie Queens personal knight, who has sworn to keep Em safe, or Eli, part of the Dark Dwellers, whom she has an undeniable, intense connection. No matter who she chooses she will probably lose her life, those she loves, and most certainly her heart. ***This is NOT a YA Series but a New Adult (17+). Sexual Content and Language.***

ber den Autor und weitere Mitwirkende Stacey Marie Brown works by day as an Interior/Set Designer and by night a writer of paranormal fantasy, adventure, and literary fiction. She grew up in Northern California, where she ran around on her familys farm raising animals, riding horses, playing flashlight tag, and turning hay bales into cool forts. Even before she could write, she was creating stories and making up intricate fantasies. Writing came as easy as breathing. She later turned that passion into acting, living and traveling abroad, and designing. Though she had never stopped writing, moving back to San Francisco seemed to have brought it back to the forefront and this time it would not be ignored. When shes not writing, shes out hiking, spending time with friends, traveling, listening to music, or designing.
