**Von Zach Morgan : Fire Up My Heart (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Up My Heart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I had better onesVon E.T.Paul and Ethan are both working in the same restaurant kitchen. Ethan is chef and Paul his assistant who has a crush at his chef.I read some good gay romances with cooks starring but this one didn't click with me. Maybe the story was to short to draw out the dynamics of hot, steamy and really stressful work in a restaurant

kitchen and a developing relationship between two complicated men.

Kurzbeschreibung Paul trained hard to get where he is, and now hes the sous-chef in one of the citys best restaurants. Everythings great. Well, almost everything. Pauls boss, Ethan, is tightly-wound, outspoken in his views on homosexuality, and incredibly hot. As Paul falls for Ethan, everything hes worked so hard for could go out the window in a flash. When a local gay couple book out the entire restaurant for their wedding reception, Ethan is forced to confront his own feelings before he makes the biggest mistake of his life. Can Paul possibly persuade his own boss to overcome his personal demons, or will he be forced to keep his professional distance lest he lose his job?
