Von Charles E. Gannon : Fire with Fire (Caine Riordan Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fire with Fire (Caine Riordan Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gut! Von Komiker Gannon berzeugt mit diesem ersten Buch in der Caine Riordan Reihe. Einziger Vorwurf wäre, dass

der Held wirklich super, super schlau ist, aber ansonsten, die Geschichte ist fesselnd und angenehm geschrieben.

Kurzbeschreibung 2105, September: Intelligence Analyst Caine Riordan uncovers a conspiracy on Earth's Moon and ends up involuntarily cryocelled for his troubles. Twelve years later, Riordan awakens to a changed world. Humanity has achieved faster-than-light travel and is pioneering nearby star systems. And now, Riordan is compelled to become an inadvertent agent of conspiracy himself. Riordan's mission: travel to a newly settled world and investigate whether a primitive local species was once sentient enough so to have built a lost civilization. However, arriving on site in the Delta Pavonis system, Caine discovers that the job he's been given is anything but secret or safe. With assassins and saboteurs dogging his every step, it's clear that someone doesn't want his mission to succeed. In the end, it takes the keen insights of an intelligence analyst and a matching instinct for intrigue to ferret out the truth: that humanity is neither alone in the cosmos nor safe. Earth is revealed to be the lynchpin planet in an impending struggle for interstellar dominance, a struggle into which it is being irresistibly dragged. Discovering new dangers at every turn, Riordan must now convince the powers-that-be that the only way for humanity to survive as a free species is to face the perils directly and to fight fire with fire. At the publisher's request, this title is sold without DRM (DRM Rights Management).
