**Von Anne Logston : Firewalk (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Firewalk (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A new look for anne logstonVon reiraven@hotmail.comFire dance is full of great magic, interesting charicters and lots of

action. Once again Anne logston leaves me spellbound with her writing, I cannot wait to read the next.

Kurzbeschreibung Kayli, daughter of the High Lord of Bregond, is torn from her magical studies in the Temple of Inner Flame to make an arranged marriage with Randon, Heir to the throne of Agrond, to bring the two warring countries together. But Randon's charming brother Terralt contests Randon's claim to the throne of Agrond, and attempts on Kayli's life make her question all she has been taught, and whether she can trust Terralt, Randon -- or even herself.

Kurzbeschreibung Kayli, daughter of the High Lord of Bregond, is torn from her magical studies in the Temple of Inner Flame to make an arranged marriage with Randon, Heir to the throne of Agrond, to bring the two warring countries together. But Randon's charming brother Terralt contests Randon's claim to the throne of Agrond, and attempts on Kayli's life make her question all she has been taught, and whether she can trust Terralt, Randon -- or even herself.

Synopsis After being married into the family that rules neighbouring Agrond, Kayli, a member of the "Order of the Flame", becomes a target of treason and treachery and has to rely on the teachings of the flame to survive.
