Fastpaced Romance-ThrillerVon high artSynopsis:When high stakes security fraud leads to murder, one woman flees for her life while another risks her heart to protect her. Leigh Grove is an upwardly mobile whiz kid in a high-profile investment company. When she discovers something may be amiss, her perfect life starts to unravel. Conn Stryker not

only runs a forensic software company, she does a bit of work for a government agency on the side. She has arranged her life the way she designs her software: complete control and no surprises. When Leigh stumbles into Conn's latest investigation, Conn's first instinct is to walk away from their growing attraction. But when violence and murder are added to the mix, it's a race against time to save the woman who has staked a claim on her heart.-----A gorgeous book that manages to twirl an action-filled romance without having the main protagonist have sex on every third page. In fact the growing attractions that lead to romance are so well written that the lack of a lot of sex-scenes is pure enjoyment. This book has substance and well written characters. I blindly would buy any book this author has written...
