Von Anita Stansfield : First Love and Forever before purchasing it in order to gage whether or not it would be worth my time, and all praised First Love and Forever:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best books I've ever read! Von mandaWow. This book is really good. It's about Emily, who, after 10 years of separation is reunited with her college sweetheart Michael. Only, Emily is in a not-so-happy marriage. Michael's offer to take Emily with him to his home in Australia, along with quarells with her husband Ryan, only confuse Emily

further. Several plot twists add to the way this book won't let you put it down. Anita Stansfield is an INCREDIBLE writer. Also read the 2 sequels.

Kurzbeschreibung Emily Hall has not seen Michael Hamilton since the day she told him she'd decided to marry another man. Ryan Hall's membership in the Church was enough to make Emily's decision clear, and she married Ryan in the temple. A decade and three children later, she finds herself enduring marriage to an inactive and insensitive husband. She relies on the Spirit to help her cope, but life is not easy. Then Michael--a handsome, wealthy, nonmember Australian, reappears in her life and creates a maelstrom of emotion that she can't ignore. Michael has never married or joined the Church, and he is still in love with Emily. He begs her to leave Ryan and join him in Australia, and her deep feelings for him add fuel to her torment. Will her temple marriage prevail, or will the promise of happiness with Michael sweep her into his arms? With several unexpected twists and turns, this is a story that will hold your rapt attention to its last word. First Love and Forever is romantic fiction at its best, written especially for Latter-day Saints who enjoy a great love story that is believable, thought-provoking, and uplifting.
