KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good readVon PerfectlyImperfectI downloaded this book while it was for free. I enjoyed the style of writing though the storyline itself didn't catch my attention that much. I'd recommend it for an "in between" read.

Kurzbeschreibung From New York Times bestselling author Melody Grace comes a story of passion, pleasure - and gelato! Annalise is at a crossroads. She's dedicated her life to dance, but now she's wondering if all those missed dates and early nights will be worth the sacrifice. A trip to Rome, Italy is meant to re-inspire her career - but instead, she finds it opening her eyes to everything life has to offer. Like incredible food - and more incredible men. Raphael is a dancer too, but his approach to art and life is like nothing Annalise has ever seen. It's passionate. Wild. Temptingly sensual. As she's swept up in the romance of Italy, Annalise questions everything she thought she wanted. But when old dreams and new passion collide, what will she choose? ** Book One of a Three Book Series - all available now ** (Note: previously published as *With Every Heartbeat*, this series has been extensively revised with additional material)
