**Von Heather Rigaud : Fitzwilliam Darcy, Rock Star** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fitzwilliam Darcy, Rock Star:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Pride Prejudice meets Rock StarsVon Katzenjammer123When the famous rock band Slurry and it's members Fitzwilliam Darcy, Richard Fitzwilliam and Charles Bingley need a new support act, they choose Long Bourne Suffering, the band of Elizabeth Jane Bennett and Charlotte Lucas. From the get go there is a lot of chemistry between the band members

and even though Darcy, the leader of Slurry, doesn't want any relationships to develop he can't stop it from happening. Soon the two bands and their members are connected in a close, complicated and sometimes messed up way. Will they find a way to play the whole tour, get over their issues and find happy ends for all of the band members? I'm a big fan of "Pride Prejudice" by Jane Austen and enjoy reading retellings of it, of course not all work for me however "Fitzwilliam Darcy; Rock Star" did. I enjoyed the mix of the "old" characters in a new setting time and think that the author did a great job with writing her own modern, rock star version of "Pride Prejudice". I think that you don't have to have read "Pride Prejudice" to enjoy this book. Of course it's entertaining to compare the two books but the story is entertaining and interesting even without having some knowledge about Jane Austen's book. At the beginning of the book I needed about 20 pages to get into the story and to build a connection with the characters but after that I enjoyed the book a lot. I had a lot of fun while reading and Rigaud's engaging writing style made following the story easy and very enjoyable. I finished this book on one day even though it's a big one because I was always in the mood to read on. I liked that the main characters and their character traits stayed the same and I also liked that the author changed some persons and how they contributed to the story compared to "Pride Prejudice". I liked that both Charlotte and Richard Fitzwilliam played a bigger role and that there were only a few scenes with Mrs Bennett (I dislike her sooo much in Pride Prejudice). I was surprised by how well the drama and the issues between the band members worked for me. I'm normally not a fan of too much drama but this time it fit to the setting in the rock star world and the stressful tour. I even liked the love story that had elements of self-destruction, but my favorite love story was of course between Elizabeth and Darcy. Their banter discussions, their connection through their music and their misunderstandings were always fascinating and made reading about them very entertaining. The songs texts Rigaud wrote both for Slurry and Long Bourne Suffering were fantastic and always fit perfectly to the situations they were played in. I loved how the songs were used as a way to communicate. Even though I'm normally not that interested in rock stars and their lives, stories about them seem to work for me. Ever since I read the first two books in the "The Sinners" series by Olivia Cunning (it's an erotic romance series), I can't get enough of romances about rock stars and maybe that's one of the reasons why I enjoyed "Fitzwilliam Darcy; Rock Star" so much. I think that the cover looks great and fits perfectly to the story. **final appraisal** "Fitzwilliam Darcy, Rock Star" is a book that I enjoyed reading a lot. I think the author did a great job with creating a new story based on the story from "Pride Prejudice". The mix of the friendship, the drama, the love stories, the trouble, the sexy scenes was very entertaining and brought me a lot of fun. I would recommend this book to all fans of hot contemporary romances with characters that sometimes mess things up.

**Kurzbeschreibung** Darcy's as hot as he is talented... Fast music, powerful beats, and wild reputations-on and off stage-have made virtuoso guitarist Fitzwilliam Darcy's band into rock's newest bad boys. But they've lost their latest opening act, and their red-hot summer tour is on the fast track to disaster. Now Darcy and bandmates Charles Bingley and Richard Fitzwilliam are about to meet their match... But she's about to rock his world... Enter Elizabeth Bennet, fiercely independent star of girl-band Long Borne Suffering. Elizabeth, her sister Jane, and friend Charlotte Lucas have talent to spare and jump at the opening band slot. Elizabeth is sure she's seen the worst the music industry has to offer. But as the days and nights heat up, it becomes clear that everyone is in for a summer to remember. What readers say: "An amazing writer... a magical ride." "An absolutely wonderful, funny, sexy, realistic, beautifully written story." "Thank you for the wild, touching, raunchy, sweet, sexy, witty, intelligent, down-and-dirty ride." "Amazing characters and absolutely fascinating plot! I'm still breathless after reading it." **Pressestimmen** "I really enjoyed this one and would love to see the author do another rock star take on a classic!" - Bookhounds "You will definitely enjoy it!" - Royal s " "Fitzwilliam Darcy, Rock Star" is a fresh take on Austen's famed and beloved characters, set in the wild world of the music industry bringing a highly entertaining aspect to this modern retelling. If you love the two, this mash up is for you. " - A Life Bound by Books "You will definitely enjoy it!" - Royal s "Steamiest: " "Fitzwilliam Darcy, Rock Star" by Heather Lynn Rigaud" - Chicago Tribune "WOW! "Fitzwilliam Darcy, Rock Star" has to be one of the sexiest Austenesque novels I have ever read! With a smoldering Darcy, a playboy Richard Fitzwilliam, and a tender Charles Bingley, Slurry is one hot trio and I completely fell in love with each of them!" - Austenesque s "All in all, "Fitzwilliam Darcy, Rock Star" is poised to introduce the timeless themes of Pride and Prejudice to an all-new audience that can perhaps relate more closely to the modern setting. " - The Writer's Closet "You will definitely enjoy it!" - Royal s "Rigaud presents a witty, riveting, and sexy retelling of Pride and Prejudice in her debut novel, originally self-published as Slurry. Sex, drugs, and rock 'n'roll go surprisingly well with this retelling of Austen's classic. " - Publishers Weekly "Yes, you read that right, Pride and Prejudice plus sex, drugs, and rock 'n' roll. Such is the premise for Fitzwilliam Darcy: Rock Star, the innovative, contemporary retelling of PP by author Heather Lynn Rigaud. " - Austenprose "I'm a big fan of "Pride Prejudice" by Jane Austen and enjoy reading retellings of it, of course not all work for me however "Fitzwilliam Darcy; Rock Star" did. I enjoyed the mix of the "old" characters in a new setting time and think that the author did a great job with writing her own modern, rock star version of "Pride Prejudice" " - About

Happy Books " I really enjoyed this one and would love to see the author do another rock star take on a classic! " - Bookhounds "If you can handle the rock lifestyle, prepare yourself for a spicy, hot read! " - One Literature Nut "This is really a must read for fans of the original story who really are up to something updated and modern but with the same heart as Pride and Prejudice. " - A Curious Statistical Anomaly "You will definitely enjoy it! " - Royal s "Fitzwilliam Darcy, Rock Star is a fresh take on Austen's famed and beloved characters, set in the wild world of the music industry bringing a highly entertaining aspect to this modern retelling. If you love the two, this mash up is for you. " - A Life Bound by Books "WOW! Fitzwilliam Darcy, Rock Star has to be one of the sexiest Austenesque novels I have ever read! With a smoldering Darcy, a playboy Richard Fitzwilliam, and a tender Charles Bingley, Slurry is one hot trio and I completely fell in love with each of them! " - Austenesque s "Heather Lynn Rigaud put an interesting spin on things and I for one loved thinking about Darcy shirtless wearing a pair of leather pants! Rock on! " - Hanging with Bells "Steamiest: "Fitzwilliam Darcy, Rock Star" by Heather Lynn Rigaud" - Chicago Tribune "I was morbidly curious as to how well Darcy, the epitome of gentleman in my book, could be turned into a rock star and if it would translate well to a novel. Turns out, pretty damn well on all counts. " - Books like Breathing "All in all, Fitzwilliam Darcy, Rock Star is poised to introduce the timeless themes of Pride and Prejudice to an all-new audience that can perhaps relate more closely to the modern setting. " - The Writer's Closet "Fitzwilliam Darcy Rock Star by Heather Lynn Rigaud is a whirlwind of emotions, sex, and satisfaction." - Savvy Verse Wit "A fun alternative to Regency based PP variations. Recommended if you like Rock Roll Sex!" - Love Romance Passion Kurzbeschreibung Darcy's as hot as he is talented...
