Von Lili St Germain : Five Miles (Gypsy Brothers Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Five Miles (Gypsy Brothers Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Dark!
Difficult! Strange!Von Tea PThese books have a pull! I don't know what exactly it is, but I'm definitely hooked. I still

have hope for Juliette. And for Jason, of course. So far, this series was strange and different and absolutely dark. Sometimes it was really a lot to handle. So, be careful with this one. But if you like to read dark (romance), you will probably be fine.

Kurzbeschreibung*Please note this book is dark romance and deals with serious themes*This story unfolds over seven volumes approx. 25 - 30,000 words each. My father taught me the importance of an eye for an eye a cardinal rule, ingrained in every club member. A life for a life. Seven lives in payment for an unimaginable list of sins. People might wonder why I'm doing this. If this vengeance is borne from some noble cause, that I'm trying to prevent others from suffering at the hands of Dornan Ross and his sons. But I'm no vigilante. I'm doing it for me. I'm doing it because I want to. Because the look on Maxi and Chads faces when I killed them was a balm to my soul. This is the fate they have earned. The penance for their crimes. Two down, five to go. Time to send some of these brothers off with a bang. Five Miles is the third book in the Gypsy Brothers series. The series should be read in the following order: Seven Sons (Gypsy Brothers, #1) Six Brothers (Gypsy Brothers, #2) Five Miles (Gypsy Brothers, #3) Four Score (Gypsy Brothers, #4) Three Years (Gypsy Brothers, #5) Two Roads (Gypsy Brothers, #6) One Love (Gypsy Brothers, #7 - final installment coming December 8th, 2014) Kurzbeschreibung*Please note this book is dark romance and deals with serious themes*This story unfolds over seven volumes approx. 25 - 30,000 words each.
