Kein guter Einstieg in die ReiheVon MaschEine interessante Grundidee, aber die Motivation der Charaktere ist nicht berzeugend. Der vorliegende Band animiert erst mal nicht dazu noch mehr von diesem Autor zu lesen.1 von 1 Kunden fanden die folgende Rezension hilfreich. Suuuuuuper toller Schriftsteller!Von Kundelch habe wirklich schon sehr

viele Bücher in meinem Leben gelesen, aber als ich auf Paul Cleave gestoßen bin hat das wirklich mein Leben verändert. Alle seine Bücher sind echt Klasse. Durchgehend spannend und zugleich sehr witzig. Ich hoffe er schreibt noch gaaaaaanz viele Bücher.

Kurzbeschreibung Theodore Tate returns in the latest thriller from bestselling international crime writer Paul Cleave. Back in the police force and with his wife Bridget out of hospital, Tate looks to be getting his life on track. Meanwhile, his former detective partner Carl Schroder is finding life a little more challenging. The bullet he took in the head six months ago hasn't killed him . . . but it's left him with time on his hands. When the body of a convicted rapist is found, obliterated by an oncoming train, and other criminals begin to disappear, it seems somebody might be helping their victims exact revenge. There's a common plea from victims' loved ones: when you find the man who did this, give me five minutes with him. And that's what someone is doing. But then innocent people start to die, and Tate and Schroder find themselves caught up in a dangerous cat and mouse chase that only one of them can win. From the author of the international best-selling thrillers *The Cleaner*, *The Killing Hour*, *Cemetery Lake*, *Blood Men*, *Collecting Cooper* and *The Laughterhouse*.

Breaking Bad reworked by the Coen brothers (Kirkus s)
Praise for Paul Cleave (-) Anyone who likes their crime fiction on the black and bloody side should move Paul Cleave straight to the top of their must-read list (Mark Billingham)
Riveting and all too realistic. Cleave is a writer to watch (Tess Gerritsen)
