**Von Chrissie Manby : Flatmates (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flatmates (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich.  
Sooooooooo Great! Von Ein Kunde Do you think about moving together with your best friends? Think about it AFTER reading this wonderful book. Fiona, Kerry and Linzi have been friends for a very long time, but when it comes to boys, trouble may appear. Fiona has a long-term boyfriend who doesn't deserve her, Linzi takes relationships easy and not

too seriously while Kerry is in love with homosexual boss. You will definitely enjoy reading "Flatmates" as Chris Manby is in fact a great author whose humourous style of writing I really like. Start it and you won't be able to stop reading it. Enjoy it!

1 von 1 Kunden fanden die folgende Rezension hilfreich. nice read but nothing special

Von Pulpfiction99I was a bit disappointed by this book, as it was praised everywhere and I was expecting a very good read. the book only has 280 pages which isn't very much. the story is ok but nothing special and somehow I couldn't connect with the characters. some things just didn't sound right. like these supposedly best friends don't seem like best friends at all. they all have their own live and don't go out together und stuff like that. if you are looking for a light holiday read that you can put down at any minute, then this is the book for you.

**Kurzbeschreibung** Have you ever shared a flat with your so-called friends? Do you remember with a shudder the squabbles over the itemised phone bill, the cleaning rota and whose turn it is to do the washing up? If so, you'll sympathise with the three troubled occupants of No. 67 Artesia Road. Fiona, who's been offered a glorious job in New York, but can't bear to leave Tim, her brilliant - but none-too-devoted - fianc. Kerry - who's fed up with spending Saturday night alone in front of the TV, fantasising about her devastatingly handsome - but homosexual - boss. Linzi - who won't be tied down by any job or man. They think they've got problems. But nothing can prepare them for the chaos which ensues when Linzi's latest boyfriend arrives on the scene. Gorgeous but feckless, Gaetano spells trouble with a capital 'T'. And soon events are spiralling out of everyone's control . . .

**Pressestimmen** 'If you've ever shared a flat, been to a bad party or fallen in love with the wrong man, you'll find this book spot on' Company 'A funny first novel ... That's more realistic than FRIENDS, cleaner than THE YOUNG ONES and not as frightening as SHALLOW GRAVE' Daily Mail 'She answers the prayers of all those suffering from post-THIS LIFE disorder'

**GQ Kurzbeschreibung** Have you ever shared a flat with your so-called friends?
