The story didn't do it for me...Von LittleDarlingHmmm.....this review isn't easy to write, especially since I usually am head over heels with everything that Bella Jewel writes."Flawed Love" by Bella Jewel didn't knock me off my feet. The book and I just didn't click.There were a few reasons for that.The plot was great and had all the bits a second chance romance needs.Two people who once have been best friends and then lovers see each other again after ten

years. But only one of them remembers and recognizes the other. A lot of hurt, old and new, mixed with longing and love leads to a heart-breaking story. Both characters can either find their happiness or break each others hearts. I should have loved it. I wanted to. But unfortunately, I couldn't connect with the characters. Not even a bit. Mali, a young woman who has never forgotten the man she once loved is devastated when he doesn't recognize her. I wished that all those challenges would have made her stronger. But not only did she let Rainer break her spirits when he left, she also doesn't have a backbone now that he is back. I get that she still loves him. I understand that her feelings cloud her decision making, but climbing into bed with him while knowing he loves someone else borders on masochism. While she stood up for herself at times, it quickly faded once he paid her some attention. Then she was all 'have your way with me even if you treat me like crap outside the bedroom.' It made her appear weak and needy. What really bugged me to no end was her attitude towards her friend Kevin. Yes, back then she was still a teenager, but her demeaning comments about him made her not a single bit better than the people she despised. It just made her lack integrity and personality. Rainer was a lot easier to understand and like. He was truly broken, having lived through years of torture, pain and fear. So his inability to let go of his feelings for Pippa and to allow himself to hope for a future were understandable. Yet his constant back and forth gave me a bit of a whiplash. And his repeated blatant disregard for Mali's feelings was a complete turn-off. Running after a woman who has clearly moved on and is in love with someone else while allowing her to still have control over him just lacked self-respect. Not being able to connect to either character made it hard to get invested in their fate. Additionally, I was slightly irritated by the fact that nearly every person in this book was either gorgeous, beautiful, handsome, breath-taking, pretty - unless they were the baddies. Then they were fake, plastic and ugly. I'd love some edginess to the characters - lead or supporting ones. I would have loved them to be less cookie cutter looks wise. Unfortunately, there were many editing errors that at times made it hard for me to go with the flow of the story and distracted from the characters and their tale. Overall, this story didn't do it for me and that breaks my little Bella Jewel fangirl heart. 3.5 I-couldn't-really-connect stars. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut Von Kindle-Kunde Dieses Buch hat mir besser gefallen, als das Erste von House of Obsidian". Das lag vollem daran, dass es nicht so viele Zeitsprünge in die Vergangenheit gegeben hat und das diese nur von Mali ausgingen. Das Ende war zwar etwas plötzlich aber ich kann das Buch, als leicht Bettlektüre, wirklich empfehlen.

Kurzbeschreibung**FLAWED LOVE is a standalone second chance romance with a HEA**Rainer Torrence is everything I could have wanted in my life and more. He became my best friend when I was Thirteen years old. From then on, we were inseparable. He was my first love and my first heartbreak. But I always thought it was forever. Until his Father died and things went bad. Then suddenly, he disappeared. Ten years and I didn't see or hear from him. Then came the call I'd be praying for he was back in town. Only the man I remembered is not him. This man is quiet, deadly, and so incredibly beautiful. He also doesn't remember me. He looks into my eyes, and he sees nothing. Nothing. So, I let him believe I'm just a girl that walked into his bar. I let him believe I'm just a friend. I let him use me on the cold, dark nights. I let him believe that I am as emotionless about our relationship as he is. I just let the secret go on and on. But all secrets have an end, don't they?
