...thrilling...keeps you holding your breath...Von Ein Kunde...diagnosed with a short time to live,wealthy New York Financier James T. Kettleman has come to a lonely refuge to die,much as he had lived,alone ...escaping a cold, selfish wife and her conniving "do anything for a buck" father,he comes to a place described to him years before over a small campfire by the only friend he ever had...cold,hard eyed,paid assassin,Jim Flint... leaving his lair, riding an ancient mare with a six-shooter brand,Kettleman rides to a remote outpost to retrieve some packages he mailed to himself under the name"Jim Flint"...he rides into trouble-hunting gunslingers and finds himself smack dab in the middle of one of the bloodiest range wars in the history of the old west... a range war engineered by his old nemises whom he thought was back in New York...this turn of events brings his former life and all he wanted to leave behind rushing to meet the life he has chosen...surprising his past and present enemies as well as his new friends and acquaintances when they learn that this man they thought they all knew was one of the most feared pistol-fighters ever...he was "The Kid At The Crossing"... gripping,spine tingling...L'Amour puts you right there as Jim Flint takes them on...FIVE STARS+0 von 0 Kunden fanden die folgende Rezension hilfreich. A Ghost From The PastVon Ein KundeReturning to his beloved West to die, James Kettleman is not at all who or what he appears to be to the casual observer. Raised in a rather unusual fashion by a quiet, deadly, and unusual man, Kettleman comes back to the West of his early years after some highly successful years in New York. This "Kid At The Crossing" (you'll understand once you begin reading) quietly steps off the train that has brought him back and finds himself smack-dab in the middle of trouble, and drawing unwanted attention. This is without a doubt THE BEST western novel that Louis L'Amour wrote. There are plenty of worthy contenders among his works (Conagher, Reilly's Luck, Hondo, The First Fast Draw, and others) but they all trail behind this one. It's full of intriguing characters, great character studies, superb descriptions of the New Mexico countryside, and plenty of action. Some well-written twists and surprises along the way, too. I can't count how many times I have read this one through the years!0 von 0 Kunden fanden die folgende Rezension hilfreich. L'Amour's most insightfulVon Ein KundeI'm a big fan of this author, a tradition passed down through my family. My high school English teacher was appalled when she saw me reading one of his books, and laughed at me in front of the class. She's one of the type that only read stuff like Lord of the Flies or Grapes of Wrath. I'll admit that it's not high literature, but for an American adventure writer, L'Amour certainly did his best. Flint contains a unique story unequaled by many of the most symbolic novels or short stories. The character development, description, and emotion are powerful and moving, as well as the sense of breath-taking adventure characteristic of L'Amour at his best. I'd recommend this to anyone who likes adventure, Western, American, romance, and just generally good novels.

KurzbeschreibungHe left the West at the age of seventeen, leaving behind a rootless past and a bloody trail of violence. In the East he became one of the wealthiest financiers in Americaand one of the most feared and hated.Now, suffering from incurable cancer, he has come back to New Mexico to die alone. But when an all-out range war erupts, Flint chooses to help Nancy Kerrigan, a local rancher. A cold-eyed speculator is setting up the land swindle of a lifetime, and Buckdun, a notorious assassin, is there to back his play.Flint alone can help Nancy save her ranchwith his cash, his connectionsand his gun. He still has his legendary will to fight. All he needs is time, and thats fast running out.From the Paperback edition.KurzbeschreibungHe left the West at the age of seventeen, leaving behind a rootless past and a bloody trail of violence.
