Von Joseph Mulak : Flushed (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Flushed (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. MUST READ BOOK Von Pamela Foley This is a different type of coming-of-age story. We normally relate them to the Young Adult genre. This is a tale about Ivan Wells, a 30+ man who doesn't want any responsibilities in life. He lives in a dumpy apartment, has a failed marriage and earns his living by playing poker at the local casino, just barely enough to cover rent and food. He resents his family and friends as theyre always expecting more from him and keep

insisting being a poker gambler is not a real job. Hes comfortable with his lot in life, no expectations, no one to answer too. Then one day a high school crush shows up, asking for his help. I really enjoyed Ivan and the development of his character throughout the story. Always having to measure up to his older brother, Doug, Ivan knows where he stands in life, at the bottom of the totem pole. Now hes faced with choices he never thought hed have to make. The mother and father are richly detailed; you just want to shake them and yell, Wake up and look at your youngest son for a change. Joseph Muiak writes with a lot of insight into the human psyche. This is not a high energy story with lots of drama, but it kept pulling me along, wanting to read more. I was sorry to see the story end. My only complaint are all the proofreading errors. I highly recommend this story and give it 4 feathers.
