Enjoyable reading experienceVon Ein KundeIn the Los Angeles area, Bridget and Kip Cross have turned their family computer business, Pandora Software, into a huge success. However, as their company grows and goes public, their marriage begins to crumble. Not long after the stock went public, Bridget is murdered and Kip is the prime suspect. Investment counselor Iris Thorne was a close friend of Bridget and Kip. In spite of the seemingly insurmountable evidence, Iris finds it difficult to believe Kip murdered his spouse. Still, her deceased friend's will names her as the fiscal guardian of the couple's little girl, who inherited her mother's stock. Though she cannot remember, the little girl

witnessed the murder of her mother. Iris knows that it is up to her to protect the little girl from a cold blooded killer, who may target a five year old child as his next victim. The fourth Thorne mystery, FOOLPROOF, is filled with interesting characters, especially Iris (whom readers will love) and five years old Brianna (whom the audience will adopt). Although the story line is riddled with too many plot gimmicks and devices that ultimately cause reader attention to diminish a bit, this still remains a fun and enjoyable reading experience. Kurzbeschreibung "Another winner..." --Kirkus (starred review) "Foolproof reads the way [Emley's] heroine Iris Thorne drives her Triumph--fast and smooth with lots of deadly twists in the road. You can put the top down and cruise with this one." --Michael Connelly, author of The Drop Foolproof is the fourth in the critically acclaimed Iris Thorne mystery series by Los Angeles Times bestseller Dianne Emley, now available for the first time as an e-book and trade paperback. Includes bonus: the first chapter of Pushover, the fifth Iris Thorne mystery. From where she stands in her newly purchased beachfront bungalow--complete with cozy garage for her beloved red Triumph convertible--life looks good for investment counselor Iris Thorne. The only clouds on her horizon are her boss from hell and the never-ending office battles at McKinney Alitzer. But one hot night, everything changes. Her dear friend Bridget is brutally murdered next to her backyard swimming pool, and the sole witness is Brianna, her five-year-old daughter. The primary suspect is Bridget's husband, Kip--the volatile creative genius behind the couple's computer games company, Pandora. Bridget surprised everyone--especially Kip--when she left her majority stake in Pandora not to her husband, but to her daughter. And she named Iris as administrator of Brianna's trust. Suddenly, Iris must deal with conflicting emotions as the evidence mounts against Kip and she finds herself responsible for the financial future of a little girl--and maybe even the five-year-old's life. Exposing the deadly tensions behind the glamorous facades of Brentwood mansions and laying bare the riddles along a dark stretch of the Pacific Coast Highway, Dianne Emley has marked the L.A. mystery with a style all her own. And with "her bold moral compass, her appealing in-your-face attitude and unsettled romantic life, Iris is a compelling heroine" (Publishers Weekly) who "deserves our undivided attention" (Los Angeles Times Book).
