**Von Heather Cullman : For All Eternity (The Sommerville Novels Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised For All Eternity (The Sommerville Novels Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Wonderful Read!Von Heather OsbornSophie Barrington had learned from her mistakes - a little too late - but she had learned. Fallen from society after rejecting her betrothed Nicholas, Lord Lyndhurst quite publicly. She further ruined

herself by associating with the no-account wastrel Lord Oxley. Abandoned by her guardians and left to fend for herself, Sophie leaves London and takes a position as a maid in the country home of the Marquess of Beresford. Little does she know, the Marquess is Nicholas's father. Helplessly, Sophie must wait for Nicholas to enact his well deserved revenge...but for Sophie the greatest pain is caused by falling in love with the man she so cruelly rejected. Ms. Cullman is one of the best romance authors writing today, and I hope with this FANTASTIC book, she at last attains the success she so richly deserves.0 von 0 Kunden fanden die folgende Rezension hilfreich. A charming fairy taleVon Ein KundeThis is a charming, wonderful book to read on a moonlit night. There's a wonderful Prince Charming of a hero and a spoilt heroine who gets her due. I love them and the hero's delightful family, for I've never read of a more delightful bunch of people. Heather Cullman is clearly a find for me. I'm off to seek her backlist.A small complain though: the heroine's transformation from spoilt primadonna to sweet and kind woman, while well done, seems a little too rushed to be totally convincing.0 von 0 Kunden fanden die folgende Rezension hilfreich. Not what I expectedVon Ein KundeInteresting plot... but the characters and story weren't very well taken off of. The ending was a bit rushed, I only wished it lived up to the summary. I just love books where the female is in trouble and her identity is hidden. Although, more sexual tensions!What I liked the best was this cover, I avoid buying books with a woman draped on a half-naked man.

KurzbeschreibungDesperate circumstances force a willful Regency heiress to become a servant at a grand country estate, where she finds herself in the employ of the nobleman she once scorned With all of London at her feet, Sophie Barrington could have any man she desires. But the pampered heiress is in love with the foppish Julian, Lord Oxley, and is completely uninterested in the man her family is pressuring her to wedNicholas Somerville, the wealthy Earl of Lyndhurst. Then she discovers why her family is so set on Nicholas: Shes penniless. She must either marry the odious Lord Lyndhurst or face debtors prison. A clever scheme to save herself erupts in scandal, forcing her to flee town. Nicholas always imagined that the wife he chose would possess sense and sensibility. Instead, he finds himself courting a spoiled society chit whos far too beautiful for her own good. When Sophie publicly humiliates him, Nicholas returns to his ancestral manor to regroup. There he discovers that the newest servant at Hawksbury Manor is the object of his desireand mortificationand he plots to pay her back. Witty, sensual, and filled with powerful emotion, For All Eternity is romance at its most beguiling.
