Von angeleyes What She Wants: Kit Townsend wants Travis "Mac" McKenzie and Ryder Sinclair in her bed, their hands on her body. They're the only two people she trusts in the world, and better, they share her negative view

of relationships and messy emotional entanglements. But Mac wants more from Kit than easy sex and a hot threesome. After an attack on Kit leaves her shaken and afraid, Mac knows he can't wait any longer to claim his fiery rebel. Convincing her that he can be trusted with her heart while protecting her from her attacker may just be the biggest challenge of his life. **What She Needs:** Ryder realizes his feelings for Kit run a lot deeper than he thought, but he's unwilling to come between her and Mac. He loves her. He wants her. He aches for her. But he's prepared to step back no matter how hard it is to let Kit go. Until a shocking revelation makes it impossible for him to walk away. **What She Craves:** Mia Nichols has loved Texas Ranger Jack Kincaid forever, but he's kept her at a distance. One night she seduces him, and he gives in to the temptation that has haunted him for so long. The next morning, however, he disappears, leaving her to wonder if he's alive or dead. Two years later, he bursts into the club where she's stripping, determined to haul her back to Dallas. But Mia is caught in a dangerous situation, and it will take everything Jack has to save her--and gain her forgiveness.

**Kurzbeschreibung** A delicious twist on erotic romance, and the debut collection from a hot new author. Three novellas. Two interlocking stories. One sizzling read. Nice set up: one spirited woman in Kit Townsend, and two hot buddies, Ryder and Mac, who take turns giving Kit what she needs. It's the perfect no-strings triangle and while it doesn't exactly follow the rules, neither does Kit. But when love unexpectedly throws these three friends for a loop, can they still have a happy ending? And then there's Mia Malone, a sweet Dallas girl who had big dreams for the future when she first met Texas Ranger Logan Kincaid. That fairy tale was a lifetime ago. Today, framed for drug possession, she's forced to work undercover at a strip joint where several working girls have disappeared. Then in walks Logan--her protector, savior, and lover. **Kurzbeschreibung** A delicious twist on erotic romance, and the debut collection from a hot new author. Three novellas.
