For His Eyes OnlyVon Ein KundeIn "For his eyes only" treffen Special Agent Reese Garrick vom DEA und Lieutenant Jade Parker an Bord eines Navy-Schiffes aufeinander. Er hat den Auftrag, einen Drogenschmuggler, der inmitten der Navy vermutet wird, ausfindig zu machen. Undercover. Doch im Laufe der Geschichte flit es ihm immer schwerer, seine wahre Identitt vor Jade geheim zu halten.Das Buch war unterhaltsam, obwohl fr meinen Geschmack vielleicht etwas zu viel "navy-technische" Begriff erlutert wurden. Andererseits muss ich zugeben, dass dadurch die Glaubwrdigkeit des Ganzen erhht wurde und man das Gefhl bekommen hat, in der Tat an Bord zu sein.Alles in allem kann ich also nur sagen, dass es keineswegs ein Fehler war, dieses Buch gelesen zu haben. Ich werde mich daher auch noch nach der

Fortsetzung, "In Close Quarters", umsehen, in der die Geschichte von Reese`s Partner TJ erzählt wird.0 von 0 Kunden fanden die folgende Rezension hilfreich. For His Eyes Only is disappointingVon Ein KundeFor His Eyes Only wasn't what I expected. The only uniform I want to see is on the hero! I don't think most women can identify with a military heroine. I want sexy military heroes, not a heroine who looks and acts like one of the guys! Reese was an OK hero, though kind of slimey for the first half of the book. He brooded too much and treated the heroine badly. The love scenes are hot, but the term purple prose comes to mind, and the setting was kind of drab and boring. Even though the "romance" seemed forced and wasn't believable, I liked most of the secondary characters. FOr the most part, the writing is good and I expect Candice Irvin's next book to be better than this one.0 von 0 Kunden fanden die folgende Rezension hilfreich. Five stars isn't enough!Von Ein KundeFOR HIS EYES ONLY presents that rare and wonderful combination of near-flawless writing technique, beautifully realized characters, sharp and funny dialogue, faultless attention to detail, and a tight, thoroughly believable plot. The maturity, freshness, and grace of this writer's voice make it hard to believe this is her "first" novel. As close to perfect as they come.

KurzbeschreibungMASTER OF DECEPTIONRugged Special Agent Reese Garrick never expected to find himself posing as a dashing movie star. Nor did he expect to find his dream woman on the steel decks of a naval warship. Lieutenant Jade Parker was gorgeous, though hardly wife material. Besides, his perilous mission hinged on winning her confidence not her heart. Jade had one goal in sight, and it wasn't marriage. If coddling a temperamental actor would get her closer to becoming captain, she would suffer through. But Jade soon realized there was more to sexy, secretive Reese than met the eye. Lifetime ambition aside, she wanted him. And that terrified her more than the danger that was closing in. AutorenkommentarFormer Naval Lieutenant Pens Military Romantic Suspense Thank you for buying FOR HIS EYES ONLY! So far, the reviews have been just incredible. Romantic Times Magazine gave FOR HIS EYES ONLY 4 1/2 Stars, made it a Top Pick, and bestowed the coveted W.I.S.H. award on sexy Special Agent Reese Garrick! As if that wasn't enough to bring a blinding smile to my face, Under The Covers s calls FOR HIS EYES ONLY "stunningly well-written" and deems it *THE* debut book of the year! Obviously, I'm overwhelmed! FOR HIS EYES ONLY is a military romantic suspense set aboard a US Naval warship home-ported in San Diego, California. It is the story of Special Agent Reese Garrick and his mission to bust a deadly criminal ring aboard the USS Baddager. But first, Reese must figure out how to get around his "running mate" and baby-sitter, Lieutenant Jade Parker. As far as Jade is concerned, she doesn't have the time nor the inclination to help some two-bit actor get into character. Unfortunately, by the time Jade learns Reese's real identity, getting him into the ship's Nuclear Support Facility is the least of her worries--keeping him out of her heart is another matter altogether...Please let me know what you think of Reese and Jade's story. A bright new star for lucky readers." 4 1/2 Stars, Top Pick, and the W.I.S.H. Award--Romantic Times Magazine. +++++FOR HIS EYES ONLY is a stunningly well-written debut book by Candace Irvin, a new author to watch. Ms. Irvin has created a romantic suspense with characters so richly crafted with an effortless use of humor, wit and sensual detail rarely seen in a debut book. Add to this an intriguing story line so tightly developed that it flows smoothly from beginning to end despite satisfying twists and turns. It is apparent from the beginning that Ms. Irvin has a clear understanding of life in the Navy; so clear she makes the reader feel part of the crew. The writing is crisp, fresh and timely as she confronts the often touchy issue of condoms in a humorous but sensitive manner rarely found even in the works of more experienced writers. FOR HIS EYES ONLY may be a June release but run don't walk to your nearest bookstore and order it now. You don't want to be left without your copy of *THE* debut book of the year. Very Highly Recommended~~Under the Covers Book s++++Reading FOR HIS EYES ONLY was like stepping into another world. According to her biography blurb, Candace Irvin is a former Naval Lieutenant herself. It shows. This story is full of details about life aboard a Naval warship, from the firefighting drills to the attitudes and interactions of the crew. The author has also created a very appealing heroine. Jade is smart and confident and real, and most importantly, she never turns into a marshmallow when she interacts with the hero. The sizzling sexual tension between the hero and heroine is one of the highlights of

the book, but it's clear that the characters like and respect each other and aren't just attracted in the physical sense. FOR HIS EYES ONLY is an enjoyable and exciting read that kept me turning the pages; a great debut by a promising new author. Very Good~~Bookbug on the Web
