KurzbeschreibungTrevor Locke thought his life was simple, he thought everything he knew about his family and the quiet town he lived in was set in stone. Then he turned sixteen and everything he knew turned out to be a lie...including himself. Now facing a life he never knew, a body completely foreign to him and a world thought only be from fiction, Trevor has a lot riding on his shoulders.KurzbeschreibungTrevor Locke thought his life was simple, he thought everything he knew about his family and the quiet town he lived in was set in stone.
