by : Stephanie Jordan Ohhhhh No it's the last book in this series and I really want to cry. I did not want Jackson and Mary story to end. Mary is just starting to come to terms with handling her bear, it's getting easier and easier every day. Mary is trying hard to help the twins they are taking their Alpha's death hard. But everyone was taking it hard blaming themselves when the only person responsible is the Outsider. Jackson is going to get the Outsider he plans it in his mind how he would pull all his body parts off. He blamed himself if he was a better Alpha this wouldn't of happened and Mary would feel safe. Then the twins start fighting and Jackson won't stop them, than another Big Grizzly Bear comes and they all try to fight it. The Outsider wants Mary will he take Mary away? Will he kill them all? I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung This is part 3 of a multi-part serial. Mary's life is on the brink of disaster. Her clan is under constant threat of death and its all because of her! A death on their watch has left Mary and Jackson with two new clan brothers, and a lot of grief. Worst of all, the outcast is still running free and he won't give Mary up without a fight! Tensions mount as the outcast strikes again, putting the whole clan at risk. Will Mary put herself in danger to save her clan? Can Jackson rescue her before the outcast steals her away forever? Warning! This book contains steamy romance scenes between a curvy woman and her protective, hunky bear shifter. It also contains scenes of violence.
