Jackson Help Mary? Von Ingrid Stephanie Jordan
Title : Forbearance Book 1
Author : Claudia M. Farwell

This is the first book I've read by this author and I am not disappointed at all. I'll be reading more from this author Ms. Farwell is a very talented writer, just can't wait to read Forbearance Book 2
Mary lived in a abusive house for many year, until one day she said no more and climbed out her bedroom window took off running and never looked back. Being homeless, eating out of trash cans wasn't the kind of life Mary wanted to live, but you take what you get and make the best of what you can. Hitching ride is the only way Mary could travel to another town, it's just that it always came with a price and tonight was worse than ever. Mary was attacked a big bear was slicing her open, he took her leg and sliced her to the bone. Mary knew she was going to die. Jackson knew he had to get Mary out of the hospital before she changed. That's right before she shifted to a bear. He also needed to make sure the Grizzly that mauled Mary didn't get her again cause he was coming for her. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung
This is part one of a multi-part series. Running from an abusive home has taken its toll on Mary. Homeless for years and at the end of her rope, she is sure her life can't get any worse. Who could have seen a bear attack coming? Somehow alive and definitely scared, Mary wants to run. But a certain sexy Grizzly by the name of Jackson wants her to stay. He's powerful, protective, and more handsome than anyone should have a right to be. It also doesn't hurt that he's got five sexy clan brothers. Can Mary figure out why she's so drawn to Jackson, or will forces beyond their control break the two apart for good? ~Warning!~ This book contains a steamy, sexy romance between a curvy, independent lady and a hunky bear who never backs down!
