Von Kristen Painter : Forbidden Blood (House of Comarr) before purchasing it in order to gage whether or not it would be worth my time, and all praised Forbidden Blood (House of Comarr):

Einblick ins Leben von Chrysabelle's Mutter MarisVon MerleEs lohnt sich, diese Kurzgeschichte, die vor dem 4. Comarrband herausgekommen ist, zu lesen. Wir erfahren etwas mehr ber die Vorgeschichte von Chrysabelle's Mutter Maris und ihrem Geliebten, dem noblen Vampir Dominic. Leider steht nichts ber ihren Zwist, so dass ich davon ausgehe, dass es weitere Kurzgeschichten geben wird. Im Rahmen der Reihe sehr empfehlenswert.

KurzbeschreibungSet in the world of the House of Comarr, Kristen Painter gives us a new novella about the price of

freedom. Maris's life as a comarr has come down to three options: escape her patron and spend the rest of her days looking over her shoulder, fight him for her freedom with the understanding it could mean her death or undergo dangerous experimentation to transform her blood into something even more powerful. Before she can make a decision, she discovers the vampire who's been charged with sunproofing her blood isn't so fond of her patron either. In fact, Dominic is unlike any vampire she's ever met, but is she desperate enough to put her trust in another noble? Her heart says yes...
