**Von Lora Leigh : Forbidden (Bound Hearts)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Forbidden (Bound Hearts):

KurzbeschreibungThe Club. Located just outside Washington, D.C., only its members know where men go if they want to indulge the desire to share their women with a selected male partner. John Mac McCoy resigned his membership from The Club when he married Keiley Hardin. Tempting and innocent, sweet and sexy, she would never accept Macs desire to share her with another man. However, Macs fantasies of sharing his wife haunt his dreams. And his passions. Unable to wait any longer to draw his best friend Jethro Riggs into his marriage, Mac invites Jethro to their home with the intention of drawing Keiley into the pleasures that can only be achieved when sharing two men who love the same woman. But theres more going on in Macs neck of the woods than a little additional pleasure. A past case, a stalker that likes to play games. Soon his wife becomes embroiled in something more dangerous than they could ever have imagined, as forbidden pleasure becomes an addiction none of them can escape.Pressestimmen A phenomenal read. "Romance Junkies on Maverick" Scorching-hot sex, deadly secrets and a determined assassin add up to another addicting Leigh thriller. Leigh's ability to credibly build damaged characters who are both intriguing and intense gives her stories that extra punch. "Romantic Times BOOKreviews on Maverick" Sex and violence power the satisfying second installment of Leigh's Elite Ops series. "Publishers Weekly on Maverick" Full of wrenching emotion and self-flagellation by the hero, the new series of Elite Ops promises to be even better than the sexy SEALs at this rate. "Night Owl Romance on Maverick" With her customary panache for emotionally intense, sensual characters, the author attracts readers into every world she creates. This fabulous follow-up to "Wild Card" is no exception to the rule. "A Romance on Maverick" Highly emotional and addicting...an intoxicating first installment of a brand new series. "Romance Junkies on Wild Card" Ferocious passion! "Romantic Times BOOKreviews on Wild Card" A smoldering hot new espionage tale. This chapter of Leigh's SEAL saga reverberates with deadly danger. "Romantic Times BOOKreviews on Killer Secrets" Treachery and intrigue combine with blistering hot sensuality in this chapter of Leigh's SEAL saga. The title of this book is particularly apt, since many of the characters are not what they seem, and betrayal can have deadly consequences. Leigh's books can scorch the ink off the page. "Romantic Times BOOKreviews on Hidden Agendas" An evocative and captivating read. "Romance Junkies on Hidden Agendas" A marvelous novel of suspense and raw passion. "Romance Junkies on Dangerous Games" Lora Leigh ignites the fire...with steamy heat added to a story that makes you cheer and even tear up. "Fallen Angel s on Dangerous Games" Leigh writes...tempting, enchanting romance[s] that readers are certain to devour. "Romance s Today on Dangerous Games"" A phenomenal read.
