Von Susie Raymond : Forbidden Fruit (Black Lace) before purchasing it in order to gage whether or not it would be worth my time, and all praised Forbidden Fruit (Black Lace):

A nasty book about nasty people Von Ein Kunde One of the things I really enjoy about the Black Lace series is strong, interesting, sexy characters, who as a rule treat each other with some respect and integrity - a little BD, SM, or a bit of humiliation for a villain notwithstanding. This book had none of that. Beth is a spiteful and manipulative shrew who is

nonetheless neither intelligent nor interesting and appears to have neither character nor interests. Jonathan is a puerile, unpleasant youth, who also appears to have no intelligence or interests (apart from swimming). They do not like each other, do not come to like each other, and the whole relationship is one of exploitation - first Beth playing mind-and-body games with Jonathan, and then Jonathan exploiting Beth in turn. The relationship is abusive and exploitative; there is no affection shown by any character to any other character, and the whole thing left a nasty taste in my mouth - no pun intended. One star rather than none, because a couple of the earlier scenes were a bit exciting - but when I realised just how abusive this relationship was it just felt pretty sick. The abuse, incidentally, was not a factor of the age discrepancy, which could have been made into something brilliant - it's just watching each of these unredeeming characters humiliating each other time and again that palls pretty quickly. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Forbidden Fruit Von Ein Kunde An exciting tale-worth a look, if nothing else than the sheer fun of a light summer read..

But when she finds him spying on her in the dressing room at work she embarks on an erotic journey, teaching and teasing as she leads him through myriad sensuous exercises at her stylish modern home. As their lascivious games intensify, Beth soon begins to realise that she is the one being awakened to a new world of desire - and that hers is the mind quickly becoming consumed with lust. **Werbetext** Black Lace - the leading erotic imprint for women **Kurzbeschreibung** The last thing sexy thirty-something Beth expected was to get involved with a much younger man.
