Auch dieses Buch ist wieder sehr aktuell und greift die ganze Veganer-Diskussion auf, welche zurzeit ja hochaktuell ist. Es ist spannend zu lesen und ich mchte immer gerne in

Kurzbeschreibung
Corinna Chapman, owner of Earthly Delights, detests Christmas. The shoppers are frantic and the heat oppressive. Neither of which this perfect size 20 with a genius for baking breads finds congenial. She's dreaming of quiet, air-conditioned comfort but instead finds herself dealing with a rose-loving donkey named Serena, a maniacal mother with staring eyes, a distracted assistant searching for the perfect muffin recipe, her friend the fearless witch Meroe, and the luscious Daniel with whom she'd like to spend a lot more time. But Daniel is on the hunt to find two young runaways, Brigid and Manny. This simple Romeo and Juliet romance though is not as straightforward as it seems and they will go a long way to ensure they're not found. When Corinna and Daniel find that Brigid is on the streets, heavily pregnant and in danger, the stakes rise. With the help of a troupe of free-spirited freegans, some very clever internet hackers and a bunch of vegans, Corinna and Daniel go head-to-head with a sinister religious cult on a mission and a band of Romany gypsies out for revenge in a wild and wonderful chase against the clock.

Pressestimmen
"Cleverly plotted and one of one of Greenwood's best in this long-running historical series." - "Library Journal" of "Murder on a Midsummer Night"
"Phryne's devoted following will rejoice as she glides through dangerous situations and survives the sizzling summer in inimitable style." - "Kirkus s" of "Murder on a Midsummer Night"
"Phryne on the rampage makes for fine entertainment all on its own, but Greenwood effectively combines her inimitable heroine's antics with thought-provoking details about the struggles of women in the 1920s, forced to adjust to the loss of the unprecedented independence they had enjoyed during the war. This series is the best Australian import since Nicole Kidman, and Phryne is the flashiest new female sleuth in the genre." - "Booklist" Starred of "Away With the Fairies"
"Like Corinna's earlier adventures (Trick or Treat, 2009, etc.), this episode is cleverly written and chock full of charming characters, interesting puzzles and luscious descriptions of food with appended recipes." -- "Kirkus s"
