Von Karen Robards : Forbidden Love (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Forbidden Love (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. very questionableVon Mary RussellWell, there is a lot to criticize about this book. As people said, the hero is hardly the

gentleman you meet in most romance books. He forces himself on the heroine more than once and just because she desires him too much and can be convinced in participating, its no less a very questionable way of telling a lovestory. He is not just dominating, he downright bullies the heroine throughout the book, not once considering her tender age (she is just 17).The heroine probably acts consistent with her age, since she is silly more than not. When becoming pregnant instead of actually keeping her promise and telling the father of her child about it, she invents a silly schoolgirls plan to marry somebody else and pass the child off as his. Of course the plan doesn't go as foreseen. This leads to more misunderstandings and more aggressive behavior of the hero.The writing is also not very impressive. I missed the development of chemistry between hero and heroine. The writer tells me that they are attracted to each other, but I couldn't really "feel" it, let alone understand why these two are two beans in a pot. The story seems to be driven more by keeping complications going than anything, simple to fill enough pages than for actual reasons. For example why couldn't the hero come up with an annulment earlier, when he found he loved the heroine so desperately and wanted to be with her?Well, this book is quite terrible in it's treatment of women and the story is strangely politically incorrect. The two stars are given, because despite all the elements I disliked, the story kept me going till the end. It did have a certain fascination and I must confess at one point I hardly expected a happy ending.0 von 0 Kunden fanden die folgende Rezension hilfreich. Pure Enjoyment!!!Von Ein KundeI loved this book. It had spicy love scenes and tragedy all under one cover!!! I recomend this book to anyone who loves a good romance. The heroine, although young is spunky, and a little spitfire and the hero.. what a hunk. He is the dark handsome stranger that you always dream of. In this book Justin, just cant heep his hands off Megan even though he tries and Megan seduces Justin with her beauty and youth. She ends up pregnant and in trouble in Regency England and tries to make a bad situation into a good one by accepting a proposal from another gentleman. Even though it hurts Justin enough to take her away he can't marry her because he is already married (to a prudish cod fish of a woman). Everything turns out beautiful in the end after a tragedy pulls Justin and Megan appart then eventually closer than ever...(I will not tell you the tragedy it would ruin the suprise). Read on this one is a great one!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. LOVE A DARK, BROODING, DOMINANT HERO A BODICE-RIPPER TOO !Von Elera TempestAn alluring story of unbridled passion, young love, betrayal, a real page-turner what a turn on ! The huge gap in age reminded me a bit of Jane Feather's characters. So what if Justin is cruel heartless on the outside ? He's only embracing his belief that if he can't have Megan, no one can either. Just my kind of hero, a tortured soul, he put his heart up on his sleeves came roaring back when he couldn't have her anymore. He did what his desperate mind told him to do, the only way to bind Megan to him is by kidnapping her. A rape is too harsh a description (Mrs. giggles' review) for Justin's lovemaking to the reluctant-but-as-much-in-love Megan. I just wish there were more authors as magnificent as Ms. Robards out there. Plenty of heart-pounding battles of will toes-curling sex with an ending that'll leave U sniffing for a box of kleenex !

KurzbeschreibungA spellbinding novel about a headstrong young beauty and her aristocratic guardian who are torn between passion and propriety. A headstrong young beauty and her aristocratic guardian are torn between passion and propriety in this beloved romance from bestselling author Karen Robards. With one sweet, seductive kiss, Megan Kinkead is no longer the impudent child Justin Brant remembers. She was a girl when she left Maams Cross Court for school, but she has returned a woman, body and soul. Once Megans guardian, Justin, the sixth Earl of Weston, is soon her hearts obsession. Desire smolders between them, and then he tells her he is married... Set against the lush green hills of Ireland, Karen Robardss classic tale will captivate your imagination and set your soul ablaze as a stubborn young beauty and her aristocratic paramour are caught between loyalty and Forbidden Love.KurzbeschreibungA spellbinding novel about a headstrong young beauty and her aristocratic guardian who are torn between passion and propriety.
