Von Tori Carrington : Forbidden (Mills Boon Blaze) (Sleeping with Secrets, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Forbidden (Mills Boon Blaze) (Sleeping with Secrets, Book 1):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very satisfying read!Von Deborah MacgillivrayWith sharp characters, a savvy understanding of their motivations and a

strong dose of deep emotions, you have a heady mix, and that is what the Carrington duo delivers. Leah Dubois came from a family of lawyers, but she never found her niche, opting instead to marry and have a child. Now, life is a day-to-day of just going through the motions, of living to serve the whims of others. She has fixed her mind, with a grim determination, to reconcile with her ex-husband, basically because he is pushing for it and her 11-year-old daughter wants. But all determination goes out the window, when JT comes back. JT, the first man she ever loved, actually the only man she ever loved, back when she was in her teens and again a year ago. Their affair was the straw that broke the camel's back of her loveless marriage. But then he vanished. JT has always loved Leah, but he's been carrying a dark secret that could make him have to walk away from that love once more. Leah is a very down-to-earth, every day person, facing every day questions and problems, and through it all, she cannot kill the love that has always been there, and JT is making her face that. A quick read, but very well done.

Kurzbeschreibung Leah Dubois can't believe it when J. T. West comes rolling back into town on his Harley. During their torrid love affair over a year ago, he'd done things to her that no other man ever had before or ever would again. Only, when she left her husband for him, J.T. disappeared without a word. But she'd never stopped craving his touch. J.T. knows he has nothing to offer Leah, but he can't stay away. His need for her is beyond control, beyond reason. He has to have her for as long as she'll let him or until his past catches up with him. Because J.T. is a man on the run. And no matter how much he regrets it, he knows he'll end up loving Leah then leaving her again. Kurzbeschreibung Leah Dubois can't believe it when J. T.
