Cinderella story Von reader This review is written after finishing the series, so the praise I was originally holding onto for the first novella well that left me after finishing book three. So I can say my first rating was a 3 star read, dropped to 2 stars for book 2 and once more to just 1 star for the last. The series consists of three novellas, just when you get into the story it already was the last chapter. Book 1 starts with a first meet of the main characters in Cape Town, South Africa which stood out. Kristen and her boss try to close a deal for their wealth management firm and that meeting was told with fun and irony. Kristens friend Riley comes along for lying in the sun and getting a tan. Well, it is June and certainly hot in NY, but Cape Town is Southern hemisphere and that means it is winter with average temperatures around 55 F and 13 days with rain, easily researched with Google. Sloppy research makes me angry and the rest of their stay in SA did not pacify me, there were too many mistakes. The heroine is feisty, strong, self-assured and ambitious quite a variety from the typical damsel in distress, but only as long as she does not succumb to the CEOs charm. In book 2 she becomes whiny, insecure and jealous, the typical heroine. Add to the mix her ex, who reduces her to a frightened girl. We dont really get to know the hero, most of the time he is travelling, he doesnt even call her. Book 3 offers a new development, but along come long inner musings, boring dialogues with her friend Riley and - you will hardly believe - again her ex. The heroine makes a very poor impression, all common sense flies out of the window, she is a sobbing mess. The last chapter solves some problems, and thats the end. Save your time, dont start reading the series.

Kurzbeschreibung A Romance Novel by USA Today Bestselling Author Priscilla West Note: This is the beginning of Vincent Kristen's story. You DO NOT need to read any books in the Forever Series before enjoying this one. "What gives you a thrill Kristen?" The minute I saw Vincent Sorenson, I knew he was trouble. Arrogant. Controlling. Possessive. He was everything I craved, and nothing I needed. Unfortunately, I couldn't just avoid him. The higher ups at my company decided they needed his business, and I was on the team to bring him in. Vincent Sorenson didn't seem as interested in business as he was in me, but I knew that was a door better left unopened. If I got involved with him, it would only unearth the pain I spent years trying to bury. I thought I had it under control, but I seriously underestimated Vincent's seductive charm and silver-tongue. I would soon find out how delicious it would feel to let myself fall into this forbidden surrender. _____ Reading Order: The Forever series currently follows three different couples. You can choose which couple you start reading about, but each couple's story has an order. Forbidden Surrender (Vincent Kristen 1) Secret Surrender (Vincent Kristen 2) Beautiful Surrender (Vincent Kristen 3) Wrecked (Hunter Lorrie 1) Rescued (Hunter Lorrie 2) Reckless (Jax Riley 1) Fearless (Jax Riley 2) Kurzbeschreibung A Romance Novel by USA Today Bestselling Author Priscilla West Note: This is the beginning of Vincent Kristen's story.
