Von Frankie Robertson : FORBIDDEN TALENTS (Vinlanders' Saga Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised FORBIDDEN TALENTS

(Vinlanders' Saga Book 2) (English Edition):

Kurzbeschreibung "A great tale of adventure and romance, beautifully imagined and deeply engaging from beginning to end!" ~Diana Gabaldon, bestselling author of *Outlander* *LOVE, BETRAYAL, AND FORBIDDEN MAGIC* As the second son of the Kon of Nuvinland, Lord Ragni isn't surprised when his father arranges a marriage for him to the daughter of another Jarl. Unfortunately, the timing couldn't be worse: Ragni has just fallen hard for another woman. Saeun never expected to fall in love with Lord Ragni, but what began as a casual dalliance with a ladies' man blossomed into a deep passion. Then her tools of forbidden magic are discovered and her hopes for the future are dashed. Ragni faces an agonizing choice between honor and love: enforce the law he's sworn to uphold, or save Saeun. And while the lovers' hearts are breaking, an ancient evil is growing stronger, threatening them all. An bestseller! Book Two in the Vinlanders' Saga, a fantasy romance adventure series inspired by Norse mythology and featuring the descendants of Viking warriors. Contains scenes featuring elves, magic, and sensual romance and may not be appropriate for younger readers.

ber den Autor und weitere Mitwirkende As a reader, my first love was science-fiction and fantasy, but then I discovered the romance genre. Now I enjoy blending the two, writing romantic fiction with an otherworldly twist. With a background in property management, occupational therapy, and paranormal investigation, I bring a diverse experience to my stories. In fact, it was my time as an investigator with the Western Society for Paranormal Research that inspired characters in *VEILED MIRROR* and *LIGHTBRINGER*. I live with my husband in the desert southwest where we have a back yard that's regularly visited by hawks, bobcats, lizards, and quail, while the coyotes sing to us from beyond the fence.
