Fontana. Diesmal werden beide in einen Mordfall verwickelt, bei dem das Opfer die gleichen Folterverletzungen aufweist wie McBride, der vor einigen Jahren von einem Mann namens Montez gefangen genommen und gefolter wurde. McBride nimmt die ganze Sache natürlich sehr persönlich und ist hin und her gerissen zwischen der Möglichkeit endlich an dem Mann Rache zu nehmen, der für die schlimmsten Momente seines Lebens verantwortlich ist und der Tatsache, dass Montez in eine Verschwörung verwickelt, die leider in die Ränge des CIA reicht und der derzeitigen US-Administration viel Schaden zufügen könnte. Mit von der Partie sind natürlich wieder seine derzeitige Geliebte Holly Simpson vom FBI und deren Kollegin Grangeland, die schon beide im ersten Teil ihren Auftritt hatten. Abgesehen von einigen Rechtschreibfehlern, die man echt hätte sehen müssen, ist der Roman richtig gut, temporeich, keine Durchhänger, viel Spannung, gute Actioneinlagen, gute Charaktere. Hoffentlich kommen da weitere Romane über McBride und Fontana raus. 5 von 6 Kunden fanden die folgende Rezension hilfreich. I want more... Von crini I really got into both Nathan McBride books from Andrew Peterson, and look forward to the next one. (I hear they may be making a film - which I think is not a bad idea). The characters are a little too superhuman, and there is no way you can identify with them, but the books make for excellent (very) light entertainment during long train-rides after a hard day in the office! I want more! 1 von 1 Kunden fanden die folgende Rezension hilfreich. nathan mc bride krimis fesseln Von wedigoalle nathan mc bride krimis fesseln und werden zu seitenfressern. wenn das milieu auch stets ein wenig militär und waffenlastig ist, die spannung steigt stets und ist sehr unterhaltsam. das gilt für alle krimis von andrew peterson. ich freue mich schon auf den nächsten.

Kurzbeschreibung Trained Marine sniper Nathan McBride is the sole survivor of Montez de Oca, the brutal Nicaraguan interrogator who tortured countless souls to death before vanishing fourteen years ago. Though McBride's body as well as his soul still bear the scars from the interrogator's blade, he dares to hope the worst is behind him. But when the FBI recovers a mutilated body from a remote Utah lake, McBride needs just one glimpse to know the truth: Montez de Oca has resurfaced, this time on American soil. And McBride will be damned if he lets him escape again. So begins a quest for justice that will push McBride to the edge, pitting his capacity for mercy against his hunger for vengeance in a deadly game of cat-and-mouse that will reach into the highest levels of the US government. With an architectural degree from the University of Oklahoma, he began writing fiction as a hobby in 1990 and sold his first short story, Mr. Haggarty's Stop, to San Diego Writers Monthly two years later. In 2008, the launch of his debut novel, First to Kill, allowed him the opportunity to visit VA hospitals around the country, and he's donated more than three thousand copies to wounded warriors and troops serving overseas. He and his wife, Carla, live in Monterey County, California.
