wie die besten Bücher von Jude Deveraux. Und außerdem hat sie noch einige schöne gruselige Aspekte wie böse Hexen, verschollene Kinder, bernadette Fähigkeiten und eine nette Liebesgeschichte. Warum gerade die Hauptfiguren in einer Beziehung zueinander stehen, die mit Liebelei nichts zu tun hat, ist der spannendste und am Schluss platzende Knoten, auch wenn dem Leser viel Raum bleibt um zu spekulieren. Denn die liebe Darci wird von Adam angeheuert, ihm zu helfen. Doch er weiß nicht, wozu sie fähig ist und sie weiß nicht, wobei sie ihm eigentlich helfen soll. Gemeinsam landen sie in einem scheinbar harmlosen Dorf mit sehr eigenartig verschworenen Bewohnern. Während Darci und Adam einander näher kommen, nähern sie sich auch dem gruseligen Geheimnis des Dorfes.:-) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach nur magisch!!! Von Cookie Ich habe dieses Buch wirklich per Glücksgriff in der Bibliothek entdeckt und war, und bin immer noch, hin und weg. Es ist eindeutig eins meiner all-time Lieblingsbücher geworden. Anfangs ist man vielleicht ein wenig verwirrt, weil es mit Hexen etc. anfängt aber man verliebt sich sehr schnell in die Hauptcharakteren, die einfach nur wundervoll einmalig und liebenswert sind. Zudem kann es nicht schaden, dass Adam der Traummann JEDER Frau ist ;) (haben mir bis jetzt auch alle meine Freundinnen bestätigt, denen ich es aufgezwungen habe). Für alle, die mal wieder eine richtig herzerwärmende und wahnsinnig spannende Liebesgeschichte lesen wollen, die auch richtig gut und nicht billiger Kitsch ist !!! 2 von 3 Kunden fanden die folgende Rezension hilfreich. touching and just wonderful Von Customer When I bought the book I had no idea what it'll be about and I had never read any books of Jude Deveraux before. I started to read it and thought it is really strange and though I wanted to stop reading because it seemed like some silly "mysterious" book without any mystery I couldn't stop reading! And very soon I saw how funny this little romance is and now I can really say that it's a wonderful and cute book about a man and a woman who receive a family. And though I'm not a natural speaker I read the book within three days! Buy the book you won't regret it!! It's worth more than it costs!

Kurzbeschreibung From A Knight in Shining Armor to The Mulberry Tree, Jude Deveraux's bestsellers sparkle with stunning originality, heartfelt wit, and adventurous passion. Now, this superb storyteller mixes the flavor of a classic fairy tale with a very modern love story -- set in a town locked in the shadows of an abiding evil -- in this imaginative new novel. Forever... Darci Monroe overcame a childhood of neglect with an ebullient spirit, a positive attitude...and extraordinary determination. Now the resourceful young woman, hired as Adam Montgomery's personal assistant, devotes more than just professional attention to this devastatingly handsome millionaire. But one thing bars Adam from accepting Darci's love: he is intent on discovering the secret of his parents' disappearance, for she possesses the otherworldly abilities needed to help him fight a terrifying mistress of the dark arts. What Darci ends up offering is a gift greater than Adam ever hoped for, for Darci loves with all her heart, and all her soul, forever... From Publishers Weekly In Deveraux's previous novels (The Summerhouse; A Knight in Shining Armor; etc.), she has proven herself a master of stories mixing mystic mystery and history, time-travel and timeless love. This beguiling paranormal romance also has roots in the past, but it is much darker in tone, forgoing playful time-travel plots for scarier, supernatural evil. The protagonists are Darci Monroe, an attractive yet insecure young woman who can get anyone to do whatever she wants using her powers of "True Persuasion," and Adam Montgomery, a gorgeous yet grim guy obsessed with uncovering the secrets of his past, including his parents' mysterious disappearance. Darci and Adam meet when she answers an ad to be his personal assistant, but it isn't until they travel to the creepy town of Camwell, Conn., that she learns the particulars of her position he wants her to assist him in bringing down a sinister coven of witches. The task will not be easy. The coven's elusive leader possesses a future-forecasting mirror, and she will stop at nothing to increase her powers. Irresistibly eerie, yet decidedly a love (rather than horror) story, Deveraux's offering bursts with high-spirited repartee and bizarre but bewitching characters. A hasty conclusion wraps loose ends up a little too neatly but, overall, this is a noteworthy addition to the genre. Copyright 2002 Reed Business Information, Inc. From Booklist Darci Monroe is a born heroine in this modern fairy tale. Raised haphazardly in a small town, she ends up in New York where she hopes to land a job as Adam Montgomery's personal assistant (yes, Deveraux has brought back the very popular Montgomery clan). The line of applicants stretches for many city blocks, but Darci knows that the power of her positive thinking will get her the job. Sure enough, guided by a psychic, Adam Montgomery, who is seeking knowledge about how his parents died and why he was kidnapped as a child, hires Darci for a task worthy of a medieval knight--she must fight off a sorceress and find a magic mirror. Adam unwillingly starts to trust Darci, and she, in turn, begins to reveal her psychic power, discovering along the way that there is more to his story and much more to her abilities. This is Deveraux at her most pleasurable. Patty Engelmann Copyright American Library Association. All rights reserved
