**Von Eric Marier : Forever: Book One of The Abandoned (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Forever: Book One of The Abandoned (English Edition):

KurzbeschreibungRich, popular Kate Hewitt destroys lives at Sussex High. Mute, violent Kev Anderwaith hasn't been

to school in months. On the day Kev does return, Kate is shocked when the overgrown, social outcast sits next to her in class and claims they've both lived previous lives, and keep finding each other, throughout the centuries, falling in love every time.
