Boring Von Tomke ShnI didn't finish the book because the plot is boring and not very well thought through. So, in principle Halloween/Hallie finds a magic book and then two handsome strangers appear at her BB. The rest is about the characters not talking to each other, even though keeping secrets is not necessary. Weird ending too.0 von 0 Kunden fanden die folgende Rezension hilfreich. Charmant, romantisch und lustig Von LaraWie immer, musste ich sofort ein Buch von Rose Pressey kaufen. Die Geschichte ist interessant, lustig, romantisch und die Entwicklung ist nicht wirklich voraussehbar und macht Lust auf Lesen. Ich habe bisher alle Bücher von Rose Pressey gelesen und werde noch viele lesen.
