and the story is wonderfully uplifting despite all the hardships that Amy had to suffer through. The story flows so easily that I didn't realize how late it was, so beware: this book will keep you up. Very enjoyable!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great readVon Author Angie MartinForever in My Heart surprised me with realistic and depth-filled characters. The drama and romance was reflected in the well-developed story, and the plot flowed seamlessly through the pages. Great read!0 von 0 Kunden fanden die folgende Rezension hilfreich. Real World RomanceVon Peru EditorThere is a real sincerity in this work which makes it compelling. I got the sense that I was reading the private diary of a young woman detailing her crushes. This was almost a voyeuristic feeling, which was a good kind of tension for a romantic type novel like this. The story is of a woman who loses her husband at a very young age. She was raised in the absence of her mother by a well-meaning father who didn't quite know how to relate to her. When her husband passes, she is caught up in a whirlwind of emotions which lead to some complicated scenarios. Most people probably wish that they could fall in love with their high school sweetheart and then raise a family in a situation of love and harmony. However, that eventuality rarely comes to pass. In the real world, you lose love ones, or you get involved with people who are already in committed relationships. Sometimes bad choices are made. Do those bad choices make you a bad person? Or are our social expectations brought on by the dream of the idyllic relationship unrealistic? I think these are the type of questions you'll ask yourself as you read "Forever in My Heart." It's a quick and enjoyable read, and I believe most people will identify with the characters and scenarios depicted within.

KurzbeschreibungYoung Amy was shattered by the terrible tragedy that changed her life forever. Now widowed, how is she supposed to raise a young son on her own? She finds herself employed at Green Gables, the local 'nuthouse', as it is jokingly called in their small North Carolina community. The old mansion is filled with the elderly and mental patients. A new boss eventually arrives on the scene and sparks fly between the two. Yet, they keep their feelings concealed. Jackson is fighting his own set of demons with an unbalanced wife. Being a southern gentleman, he cannot declare his love until his divorce is final. Can he be the one to make Amy's life complete once again? Will he be her hero?
