Von Stormy Glenn : Forever Mates: Zus Rue (Siren Publishing Everlasting Classic ManLove) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Forever Mates: Zus Rue (Siren Publishing Everlasting Classic ManLove):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sadly disappointed.... Von edo45I read most of the series written by Stormy Glenn and I was happy to find another one. BUT

PLEASE !?!?!? What did she think when writing this series ??? All the books are more or less a 2/3-copy-and-paste from the first book and the only difference is how the different couples progress. The writing style is as good as ever, not doubt about it and the stories itself too.

Kurzbeschreibung[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Consensual BDSM Romance, M/M, shape-shifters, bondage, spanking, sex toys, HEA] Zus took one look at the brown-haired beauty that walked into the bar with his friends and knew that he had found the perfect submissive. He just wasn't sure the sexy little man was ready for his dominant brand of mating. Being in control was second nature to him and he wasn't about to change that for Rue, even if the man was his forever mate. Rue Tasquer had just about given up hope that he would find the perfect man to dominate him until he found a set of deep, piercing green eyes staring at him from across a bar. As eager as he is to find someone to accept him--kink and all--Rue quickly gives into the man's demands and follows him for what turns out to be the beginning of something that will either make Rue the happiest man alive or send him running for his life. ** A Siren Erotic Romance
