Beeindruckendes DebutVon SabrinaJagger Remington war erst 12 Jahre alt, als er vor seinem gewaltttigen Vater
flchtete. Seitdem hat er sich in Indien ein Handelsimperium aufgebaut und keinen Fu mehr auf englischen Boden
gesetzt. Jetzt hat ihn Stephen Trenehom, sein Taufpate und vterlicher Freund aufgesprt und zwecks Heirat nach

England zurückbeordert. Jagger soll Sophie heiraten, Stephens Stiefschwester, die ihrerseits eine schwere Kindheit hatte. Zwar will Jagger nicht heiraten, fgt sich aber Stephen zuliebe, dem er viel verdankt. Als er jedoch erfährt, dass Sophie keine Ahnung von Stephens Plänen hatte, und sich einer Heirat widersetzt, steckt er in einem Gewissenskonflikt. Wiegt die Verpflichtung dem Freund gegenüber schwerer als das Glück seiner zukünftigen Frau? Zudem hat Jagger mit seinem Vater noch eine Rechnung offen, und auch Sophies Stieffamilie macht ihr das Leben schwer. Janmarie Anellos "Forever Yours" spielt in der bei Autoren von historischen Liebesgeschichten beliebten Regency-Periode, ist aber viel dsterer und dramatischer als sonst im Genre blich. Beide Protagonisten sind von ihren Kindheitserinnerungen gezeichnet, und whrend Jagger sich sein eigenes Leben aufbauen konnte, droht Sophies mhsam erworbene Unabhngigkeit gerade wieder in sich zusammenzubrechen. Beiden fllt es schwer, sich auf andere Menschen einzulassen, vor allem, da Stephen, der beiden der einzige Vertraute war, sie jetzt mit aller Macht in eine ungewollte Ehe zwingt. Dies ist auch das einzige Manko des Buches, denn Stephen wirkt eigentlich wie ein netter Kerl, dem man solche Machtspielchen nicht zutrauen wrde. Auch als seine eigentlichen Beweggrnde offenbart werden, wird dieser Konflikt nicht zufriedenstellend gelst. Ansonsten hat mir "Forever Yours" sehr gut gefallen. Die Geschichte ist spannend und berraschend, die Charaktere glaubwrdig. Wer allerdings eine Schilderung von Kutschfahrten und Tanztees und den Austausch hflicher Komplimente erwartet, wie sonst bei in dieser Zeit spielenden Romanen blich, wird enttuscht sein. Ich freue mich jedenfalls schon auf Janmarie Anellos nchstes Buch, das zum Glck nicht mehr lange auf sich warten lsst.

Kurzbeschreibung A Marriage of Inconvenience Sophie Treneham thought shed left scandal behind her when she retired to a quiet country estate to raise her daughter alone. But her peaceful refuge is shattered when a stranger with dark hair and a menacing scar across his cheek arrives in her drawing room and claims she is his betrothed! Marrying this pirate of a man is out of the question and Sophie is sure he has come to pillage what is left of her home. Only as an irresistible attraction builds between them and desire turns to love does Sophie realize her true danger: the treasure Jagger Remington has come to plunder is her heart. An Unexpected Love A debt of honor forces Jagger to abandon his life and agree to wed Sophie sight unseen, but the lady he finds is more beautiful than he expected, and more spirited. She soon makes it clear that she never consented to her brothers matchmaking scheme. Despite her protests and his suspicions surrounding the match, decency demands they wed. But what begins as a marriage based on duty, soon turns to irresistible attraction. Jagger never expected to find love and redemption for his past sins within his makeshift family. Now he faces his greatest challenge: to win Sophies trust and earn her love before the truth behind their hasty marriage emerges to destroy them. Praise for Forever Yours Forever Yours by Janmarie Anello is a heart-touching romance that will have you sighing over the love and caring that is present between Jagger and Sophie. I loved this book and highly recommend that you pick it up. Romance Junkies Filled with adventure, intrigue and romance, this is one book that you will be hard pressed to put down. This is a tale that will warm your heart and prove that no matter the obstacles, true love can be found in the arms of the person you least expect. Coffee Time Romance A hero and heroine destined to be together. achingly poignant and at times sad and tragic, in the end love conquers all. Historical Romance Writers Forever Yours, winner of the coveted New Jersey Romance Writers Golden Leaf Award for Best First Book, 2007. Synopsis Living a quiet country life alone raising her young daughter, Sophie Treneham closely guards a scandalous past. When a dark and dangerously handsome stranger appears, claiming her as his bride, she is outraged -

and desperate. But convincing Jagger Remington that they've both been duped proves easier than resisting a temptation that could shatter her safe world...A man living solely to avenge his past, Jagger is also a gentleman of his word. There is a debt he must repay and will do so with honor, but his intention to simply wed, bed, and forget Sophie crumble under his growing desire to uncover all her secrets - and share his own. Soon treacherous circumstances forge an alliance that becomes irresistibly seductive. But will it strengthen fragile bonds of trust...or become the undoing of them both?
